Dear participant,

On behalf of the Executive Committee of the 22st Congress of the International Society for Human and Animal Mycology, we invite you to participate in this meeting, which will take place from 20 – 24 May 2025 at the Bourbon Cataratas Convention Center, Iguacu Falls, Brazil.

Venue:

Bourbon Cataratas Convention Center, Iguacu Falls, Brazil.
Av. das Cataratas, 2345 - Vila Yolanda
Foz do Iguaçu – PR

Congresses of the International Society for Human and Animal Mycology (ISHAM) are only held every three years and provide clinicians, scientists and students an exciting opportunity to meet at an international forum dedicated solely to the study of medical mycology.

The participation, as agreed, will be as participant. We also inform that the Congress Organizers will not be responsible for expenses while in this country, as previously agreed.

Although the proceedings will conclude on May 24, 2025, we would like to invite him to spend more time in Brazil or to arrive a bit earlier and enjoy the hospitality.

It must be understood that this letter does not represent a commitment on the part of the meeting organisers to provide any financial assistance.

Sincerely,

Prof. Arnaldo Lopes Colombo
President of the 22nd ISHAM Congress 2025
